Adding a Films on Demand video link in Blackboard

1. Using the Library’s A-to-Z Databases, under E-Research, go to the Films on Demand website to select a film.
2. Click below the film on the “</>Embed” link.
3. Copy the Alternate Embed Code (Best for Public Pages) - (Full Title) using Ctrl+C on your keyboard or highlight and copy the link.
4. Open a new browser window or new browser tab and login to your Blackboard course.
5. Click on Content (or another menu item) in the course menu.
6. Hover the mouse cursor over Build Content then select Web Link from the dropdown menu.
7. Enter a Name your students will click on to view the film.
8. Paste the Alternate Embed Code link into URL using Ctrl+V or right-click and paste.
9. If needed, include a Description in the text box below.
10. Click Submit when done.
11. When the film’s Name is clicked, the video should play. For off-campus viewing, the library’s proxy login page will display. After logging in with an STU username and password, the video will play.
