USING FOLLETT DISCOVER

1. First, login to Blackboard and open your online class.

2. Then click on **Tools** in the Course Menu:

3. Click on **Follett Discover** in the Tools list:

4. Select the **Term** and click the **Update** button:
5. **Select Discipline** and **Select Subject** to choose a new textbook:

![Select Discipline and Subject](image1)

6. Find the book you want to use then click on the book’s title (example shown below):

![Microbiology Book](image2)

7. Click the **Add to Library** button to add the book to your Course Library:

![Add to Library](image3)

8. Finally, click on **Adopt** to add the book to your course:
